"NYLT isn't just another course — it's a transformational leadership experience that helps Scouts lead with purpose."

Why NYLT Matters

National Youth Leadership Training (NYLT) is Scouting's premier youth leadership development program. Through an immersive week-long outdoor experience, participants learn the skills, mindset, and confidence needed to lead effectively in their troops, crews, and beyond.

NYLT Builds:

- Confidence and leadership competence
- Effective communication and teamwork
- Ethical decision-making and servant leadership
- A deeper understanding of the Scout Oath and Law in action

NYLT Can Elevate Your Unit Program

Encouraging your youth leaders to attend NYLT can elevate your entire unit's program.

Benefits for Your Unit:

- Stronger, more capable youth leadership teams
- Greater Scout ownership of planning and running meetings
- Improved patrol method and teamwork
- Scouts who lead with enthusiasm, integrity, and skill

Recommended Participants:

- Scouts BSA, Venturers, or Sea Scouts age 13+
- First Class rank or higher (for Scouts BSA)
- Have completed Introduction to Leadership Skills for Troops (ILST)
- Endorsed by their Scoutmaster or Advisor

The NYLT Experience

NYLT simulates a month in the life of a Scout-led unit. Participants form patrols, set goals, plan events, solve challenges, and experience the stages of team development, all while having fun outdoors.

Program Highlights:

- Leadership models from the best in Scouting and business
- Real-world scenarios and hands-on challenges
- Daily leadership reflections and goal setting
- Outdoor adventure, campfire programs, and team competitions
